## Feeding Farm Hands.

Every farmer's wife knows what tremendous appetites farm hands usually have; but while they eat well they work well, too. Here's a good suggestion about feeding farm hands. Give them plenty of Quaker Oats. A big dish of Quaker Oats porridge with sugar and cream or milk is the greatest breakfast in the world for a man who needs vigor and strength for a long day's work. The man that eats Quaker Oats plentifully and often is the man who does good work without excessive fatigue. There is a sustaining quality in Quaker Oats not found in other foods, and for economy it is at the head of the list. To meet needs of those in different climates Quaker Oats is packed in regular size packages and hermetically sealed tins; the latter for hot climates.

If a "certain party" were not now in Africa, spontaneous combustion might supply a theory for that White House fire.

"I'd Rather Die, Doctor, than have my feet cut off," said M. L. a nigham, of Princeville, Ill., "but you'll hear from gangrene (which had eaten a-wap eight toes) if you don't," said all doctors. Instead he used Bucklen's Arnica Salve till wholly cured. Its cures of eczema, fever sores, boils, burns and piles astound the world. 25c at John E. Jackson's.

The man who succeeds must take interest in life, says the money lender.

Your cough annoys you. Keep on hacking and tearing the delicate membranes of your throat if you want relief if you want to be annoyed, and if you want relief, want to be cured, take Chamberlain's cough remedy. Sold by all dealers.

Chamberlain's Cough Remedy has become famous for its cures of coughs, colds, croup and influenza. Try it when in need. It contains no harmful substance and always gives prompt relief. Sold by all dealers.

Professor Metchnikoff says we may live as long as Methuselah, but we'll never attempt it, with prices as high as they are at present.—Atlantic Constitution.

## DON'T WAIT.

Take advantage of a Tazewell citizen's experience before it is too late.

When the back begins to ache, Don't wait until backache becomes chronic. Till serious kidney troubles develop. Till urinary troubles destroy night's rest.

Profit by a Tazewell citizen's experience.

Mrs. M. Rigney, Tazewell, Va., says: "During the twenty-five years I suffered from kidney disease, so many remedies failed to check the trouble that I grew discouraged, thinking nothing could reach my complaint. I am now firmly convinced that there is one remedy that will cure kidney disorder and that one is Doan's Kidney Pills. To say that I suffered twenty-five years is no exaggeration and although I had relief, I could only look forward to the return of the trouble which I knew was sure to come. My greatest distress was a terrible, dragging ache between my shoulders. During the attacks I was almost helpless and could not rest comfortably. I knew my kidneys were diseased as the secretions were too frequent and scalding in passage. I tried remedy after remedy without benefit until finally I read about Doan's Kidney Pills and procured a supply at Jackson's drug store. They relieved me at once and I soon felt like a new woman."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

We judge from the arguments pro and con with respect to the proposal of constitutional prohibition for Alabama that it is seriously affecting the digestive outlets of numerous earnest white happy citizens.—Washington Herald.

Beware of Ointments for Catarrh that Contain Mercury, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

## Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs that need and must have attention. Those torturing, enervating aches, headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver. DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her. They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid preparations are apt to do.
